EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The following changes to the drawings have been pre-approved by the examiner:

- In the "New Sheet" of drawings showing Figures 20 and 21, filed by Applicant on June 23, 2006, the label for FIG 21 should be changed to FIG 20, and the label for FIG 20 should be changed to FIG 21.

Note: The specification amendments filed June 23, 2006 to add a corresponding description for each of new figures 20 and 21 was found to be in error by the Examiner, when compared to the new drawing figures. The aforementioned drawing changes will correct this error.

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.
